

REGULATIONS OF THE UNDER GRADUATE CHOICE BASED CREDIT SYSTEM (UGCBCS) GAUHATI UNIVERSITY, 2019

1. THE CHOICE BASED CREDIT SYSTEM (CBCS)

The Choice Based Credit System is the logical next step in a credit based semester system becoming more learner-centric. A CBCS offers the student a diversity of courses to choose from and the autonomy to decide on the place, pace and time of learning. The UGC has recommended that it is desirable for all institutions of Higher Education in the country to move to a CBCS and, together with it, implement a uniform grading system.

2. UNDER GRADUATE CBCS (UGCBCS) PROGRAMMES

The undergraduate degree programme in the CBCS will have courses spread across six- semesters. A typical semester will comprise a minimum of 15 to 18 weeks of academic work that will translate into 90 actual teaching days. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of Six Semesters covering three Calendar Years (Academic Sessions – June to May). The duration of the Odd Semesters (First, Third and Fifth) shall be 'June to November', and that of Even Semesters (Second, Fourth and Sixth) shall be 'December to May'.

The dates and duration mentioned in the academic calendar concerned will be in consonance with the above schedule as far as practicable.

Each student must take admission in three consecutive Academic Sessions starting with the first semester. Students who do not enroll in the Second Academic Session will not be eligible to take admission in the Third Academic Session.

The minimum time requirement to acquire an undergraduate degree will be three years. The maximum time allowed to complete the programme will be six years.

Structure of courses and credits of the UGCBCS programmes:

from an authorized medical practitioner. The principal will examine each case of medical absence individually and decide whether it merits exemption. However, the minimum attendance after accounting for medical leave granted will still have to be 75%. *Under no circumstances will a student be allowed to appear for the end semester examination or continue with the programme if his/her attendance, after consideration of medical leave, falls below 75%. Such consideration will be subject to the condition that the student must have a minimum of 60% attendance.*

9.3.2 Prescribed co-curricular activities (CCA): For absence due to participation in prescribed co-curricular activities (e.g. NCC, NSS, Youth festivals, sports etc.), the claim for CCA leave will have to be made in a prescribed form and supported by authenticated certificates from the concerned authorities. Only those students, whose names are on the list of students made available by the principal as being allowed to participate in such activities, will be considered for CCA leave. The principal will examine each individual case of such CCA leave applied for, and decide whether it merits exemption. However, the minimum attendance after accounting for CCA leave granted will still have to be 75%. *Under no circumstances will a student be allowed to appear for the end semester examination or continue with the programme if his/her attendance, after consideration of leave for co-curricular activities, falls below 75%.*

10. EXAMINATIONS, EVALUATION AND GRADING

10.1 Examinations

Examinations, whether internal or external, theory or practical, would be counted separately for the purpose of considering a student passed or failed.

10.1.1 If a student does not appear in a paper (internal or external, theory or practical) in an examination, the student will be considered failed in that paper. Any paper where a student fails will be called an 'Arrear' paper of that student.

In case a student fails in any one or more papers in an end semester examination, she/he can appear in all the papers in which she/he failed.

10.1.2 A student having 'arrear' in external examination, either in theory or practical papers, shall be allowed chance to clear the same in the next available end-semester examinations, with the following restrictions:

10.1.2a No student will be allowed to appear in the first and fifth semester examinations simultaneously.

10.1.2b No student will be allowed to appear in the second and sixth semester examinations simultaneously.

10.1.3 The first and the fifth semester examinations will be held simultaneously, while the third semester examination will be held separately. Similarly, the second and the sixth semester examinations will be held simultaneously, while the fourth semester examination will be held separately.

10.1.4 A student may be allowed once to reappear in any one of the honours theory papers in each of the first, second and third semesters for betterment of marks if the candidate secured 'pass marks' in all papers. Students will be allowed to reappear only in the next similar examination. Marks obtained either in the earlier examination or in the subsequent examination, whichever is higher, will be awarded to the student.

10.1.5 No betterment will be allowed in internal and practical examinations in any semester.

10.1.6 A student must pass all her/his semester examinations, including 'arrear' and 'betterment' chances within six years from the date of admission to the first semester. In this context, six years means six academic sessions. In the event of a student failing to do so, she/he will have to take fresh admission in the first semester. Subject to the said condition, a student who could not appear or who failed in any semester examination will be allowed chance to clear the same as follows:

- i. First semester with regular third semester examination.
- ii. Second semester with regular fourth semester examination.
- iii. Third semester with regular fifth semester examination.
- iv. Fourth semester with regular sixth semester examination.

10.1.7 There shall be no scope for a student to appear as Private Candidate in any course.

10.1.8 Schedule: The schedule for examinations will be as per the concerned Academic Calendar. The exact dates of examinations and related information will be notified by the office of the Controller of Examinations, Gauhati University

10.2 Evaluation: A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student's performance in each semester for every course/paper will be based on the following:

- Internal Assessment (IA)
- End Semester Examination (ESE)

For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

10.2.1 Internal Assessment (IA): IA will ideally account for 20% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measures will be adopted for distributing marks earmarked for IA.

10.2.1a Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (For example, if 20 marks is allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 30 marks for the convenience of setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the sessional or mid term examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any.

10.2.1b 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:

- a) Class attendance from 76% to 80%..... 1 mark;
- b) Class attendance from 81% to 85%..... 2 marks;
- c) Class attendance from 86% to 90%..... 3 marks;
- d) Class attendance from 91% and above..... 4 marks.

10.2.1c Rest 30% of the marks allotted for IA will be distributed and awarded on the basis of performance of the students on the following criteria:

- a) Home assignments;
- b) Seminar/Group discussions;
- c) Field work;
- d) Performance in co-curricular and extra-curricular activities.

10.2.2 End Semester Examination (ESE):

The ESE will comprise of 80% of the total marks earmarked for a course. The ESE shall be of three hours duration for a course whose ESE component exceeds 50 marks. For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

For odd semesters, ESE will be held in the month of November and for the even semesters, the examination will be held in the month of May.

10.2.3 Pass Marks

10.2.3a. The pass marks will be as follows:

Theory paper: 30%

Practical paper: 40%

10.2.3b A student must pass in both internal and external examinations of a paper (theory and practical) separately if he/she has to pass in that paper. Passing a UG course in any subject does not automatically imply qualifying in Honours, if any.

10.2.3c The following rules will apply for the Bachelor Degree in any subject with Honours.

- Simple pass: 30% to 39% marks in aggregate, i.e., from CGPA 4.00 to less than

CGPA 5.00

- Pass with Honours:” 40% marks or above in aggregate in Honours subjects, i.e., minimum of CGPA 5.00
- In case a student with Honours in any subject secures less than 40% marks in aggregate (i.e. CGPA less than 5.00) but 30% or above in the Honours subject, she/he shall be declared ‘Simple Pass’.
- In case of project work or dissertation, it shall be a separate paper with separately allotted marks and cannot be treated as part of any other theory paper. Pass mark for project work or dissertation will be 50%.

10.2.4 Number of Attempts

10.2.4a A student who has completed a semester may be allowed to proceed to the next semester, irrespective of the number of papers in which she/he failed.

10.2.4b In order to complete an UG degree, a student must obtain pass marks in all the papers prescribed.

10.2.4c A student having failed to fill in his examination form in the first semester may be allowed to appear in the second semester if all other eligibility criteria are fulfilled.

10.2.5 Procedure for conducting Sessional examination:

10.2.5a The sessional examination as part of Internal Evaluation will comprise of 50% of the marks earmarked. Since Internal Evaluation component will be of 20 marks, Sessional examination will be held for determining students’ performance out of 10 marks. For the convenience of setting questions and covering the syllabus, the Sessional examination will be held for 30 marks of one hour duration and the marks secured by the students will be proportionately converted to be out of 10 marks. The sessional examination for a paper will be conducted by the teacher(s) who teaches that paper. The setting of question paper, invigilation duty, evaluation of answer scripts for each paper will be done by the teacher(s) concerned as part of his/her normal duty without hampering regular classes as far as practicable.

10.2.5b The teacher(s) concerned will fix the date of the sessional examination in each paper. The students shall write their answers in the sessional examinations in proper 'additional answer scripts' of Gauhati University.

10.2.5c After evaluation, the answer scripts shall be shown to the students and corrections in evaluation, if any, shall be made. After this, the answer scripts shall be collected back from the students. The entire process of evaluation in the sessional examination should not take more than two weeks from the date of examination.

10.2.5d There is no provision for 'betterment' in the sessional examination. If a student fails in the sessional examination, she/he shall be allowed a chance to clear it in the next similar examination conducted by the college. If a student fails to appear in the sessional examination for valid reason(s) supported by medical certificate or any other authentic document submitted to the college authority, then the teacher/college concerned shall allow the student to appear in a separate examination on a suitable date fixed by her/him before the commencement of the end semester examination.

10.2.5e Scrutiny of answer scripts of sessional examination will be done in the college by an Examination Committee formed by the Principal in consultation with the faculties of the college. During scrutiny, if any discrepancy is observed in the evaluation certain questions, the same should be re-evaluated by a teacher of that subject appointed by the Examination Committee.

10.2.5f Answer scripts of sessional examinations shall be submitted to the University after one year of the examination concerned.

10.2.5g Before the end of the End Semester Examination, the Colleges shall compile the marks obtained by the students under different heads of Internal Evaluation such as Sessional examination, Class attendance and from other criteria mentioned in 10.2.1a, 10.2.1b & 10.2.1c. The compiled marks will be submitted to the Controller of Examinations through online feeding.

1. State Keynes Psychological Law of Consumption. (5)

Ans :- The psychological law of consumption is the basis of Keynesian consumption function analysis. It can be stated in the own words of Keynes as "The fundamental psychological law, upon which we are entitled to depend with great confidence, both a priori from our knowledge a human nature and from the detailed facts of experience, is that men are disposed, as a rule and on the average to increase their consumption as their income increases, but not by as much as the increase in their income." John Maynard Keynes, in 1936 proposed the psychological law in his work: "The General Theory of Employment, Interest and Money"

Joe shipped the defective engines because he wanted to money and providing for his family corrupted him. Chris has always felt somewhat ashamed of his family's wealth and strives for the greater good in society. Even the women in the play, Sue and talk about

$$Ax^2 + By^2 = 1$$

$$\Rightarrow Ax^2 + By^2 - 1 = 0$$

Differentiating w.r.t. x we get

$$2Ax + 2By \frac{dy}{dx} = 0$$

$$\Rightarrow Ax + By \frac{dy}{dx} = 0$$

$$\Rightarrow Ax + By \frac{dy}{dx} = 0 \quad (1)$$

Differentiating again we get

$$A + B \left[y \frac{d^2y}{dx^2} + \left(\frac{dy}{dx} \right)^2 \right] = 0$$

(2)

Eliminating A and B from

eqⁿ (1), (2) and (3), we get

$$\begin{vmatrix} x^2 & y^2 & 1 \\ x & y & \frac{dy}{dx} \\ 1 & y & \frac{d^2y}{dx^2} \end{vmatrix} = 0$$

$$\Rightarrow -1 \left[x \left\{ y \frac{d^2 x}{dx^2} + \left(\frac{dy}{dx} \right)^2 \right\} \right]$$

১) ভাৰতীয় দৰ্শনৰ ক্ৰমবিকাশ কল্পনা কৰা।

উত্তৰ => ভাৰতীয় দৰ্শনৰ ক্ৰমবিকাশ দাখ্যাত
দৰ্শনৰ ক্ৰমবিকাশৰ দৰা দৃষ্ট। দাখ্যাত ৩য়
অধ্যায় ইউৰোপীয় দৰ্শন যিটো বিকশিত হৈছে
ভাৰতীয় দৰ্শন জুইটো বিকশিত হোৱা নাই।
ভাৰতীয় দৰ্শনৰ ক্ৰমবিকাশৰ ইতিহাসে
ভাৰতীয় দ্বাতন্ত্ৰতা আৰু ইয়াৰ অধীনৰ বৈশিষ্ট্য
কল্পাই আমাৰ মনত বসি দিছে। দাখ্যাত দৰ্শনৰ
ইতিহাস পৰ্যালোচনা কৰিলে দেখা যায় যে তাত
যিবিলাক মূল দাৰ্শনিক মতবাদ উদ্ভূত হৈছিল
জুইবিলাক দাৰ্শনিক মতবাদ এটাৰ নিজত আন
এটা নতুন মতবাদৰ উদ্ভূত হৈছিল। এই নতুন

১. বাজেট মানে কি? বাজেটৰ নীতিসমূহ ব্যাখ্যা কৰা?
উত্তৰঃ বাজেটক অসমীয়াত আয়-ব্যয় বুলি কোৱা হয়।
ইংৰাজী বাজেট শব্দটো ফৰাচী ভাষা Budgete ৰ
পৰা আহিছে। ইয়াৰ অৰ্থ হ'ল - বৰ্ষান্তত পত্ৰ কঢ়িয়াই
নিয়াই চাকৰাৰ বেচ ১৭৩৩ চনত ইংলেণ্ডত পোন প্ৰথম
বাৰ বাবে বাজেট শব্দটো ব্যৱহাৰ কৰা হৈছে। ইংলেণ্ডৰ
বিপ্লৱী শূৱাল পোলে সেই চনটোত বাজেট সংশোধন
উদ্দেশ্যে কৰিছে।

বাজেট মানে হ'ল একবিশ্লিষ্ট পাৰিকল্পনা। ইয়াত
অতীতৰ বিশ্লিষ্ট আভিভূত আৰু বৰ্তমানৰ পাৰিকল্পনাৰ
ভৱিষ্যতৰ এক বিশ্লিষ্ট প্ৰগতি বচনাৰ পদক্ষেপ লোৱা হয়।
জোড়িৰ মতে - "চৰকাৰী আয়-ব্যয়ৰ পূৰ্বাভাৱেই হৈছে বাজেট
L.D. White ৰ মতে বাজেট হৈছে দক্ষতা পূৰ্ণ কৃতাৰ্থপন্থী
আনবদোৱা ব্যৱস্থা আৰু ব্যয়ৰ আনুমানিক আঁচনি। এতেকে
বাজেট হ'ল - এমন দৈৰ্ঘ্য আৰু অটো জাতিৰ বাবে প্ৰগতিৰ
পাৰিকল্পনাৰ দলিল। যদি বাজেট এমনকো পাৰিকল্পিত ভাৱে
কাৰ্যকৰী কৰাও সম্ভৱ হয়। তেন্তে বাজেট অটো জাতিৰ
জাতিৰ দাপোন স্বৰূপ হৈ পৰিব।

এমন বাজেট প্ৰস্তুত কৰোঁতে কিছুমান নীতিক
অনুকৰণ কৰা হয়। অৰ্থ নীতিবোৰ সকলো দেশৰ বাবে
প্ৰযোজ্য। অৰ্থ নীতিবোৰক বাজেটীয় নীতি বুলি কোৱা হয়।
ওলোকে কেইটামান নীতি আলোচনা কৰা হ'ল -
